### DPS Society

The role of the DPS Society in universal education enhancement has been acknowledged worldwide. Since the establishment of its first school in 1949, it has grown into a family of 160 schools both in India and abroad as the nation's largest collaborator of national and international educational enterprise.

One such unique school under the aegis of DPS society is  
DPS Chhindwara

### Virendra Satija Foundation

We at Virendra Satija foundation, as a group are committed to offer quality based education in Chhindwara region. The group firmly believes that as one make a journey through his school years, they should gain more than just a great education, and they should receive opportunities, both within and beyond the classrooms. We yearn to make the years that a student spends with us the most memorable of his life .It is only with affection and tender guidance that the brightest minds will rise and shine to eventually become the eminent personalities of tomorrow.

### From the Desk of Pro - Vice Chairman

In the words of Rabindranath Tagore, "Don't limit a child to your own learning, for he was born in another time." Every day, millions are born and billions walk the earth, but only a few make a difference during their existence which others dwell on for millennia. Education was once considered as a desperate need to spread literacy and then literacy joined the list of archaic words. We stand tall today because education is now defined as the capacity, making that little difference to the world.

We whole heartedly welcome you to the new era school where global citizens of the next generation are empowered and capacitated with right thinking and healthy attitude towards learning. A new world of learning awaits you ahead. Welcome aboard.

With Best Wishes  
Virendra Satija

### Our Mission :

"Service before Self", the motto of DPS is a reflection of its ethos and a desire to usher in a new era of knowledge with a belief that every child, however different, has the right to education.

### Academics and Curriculum

Knowledge has no end or limit to it. Everyone knows that 15 years of education is not sufficient to put all the knowledge in the world into the young minds of children. However, it is always possible to give every child what it takes to keep learning throughout his life. Towards achieving this, we have worked on a comprehensive curriculum which integrates with various board examinations, Olympiads and competitive exams.

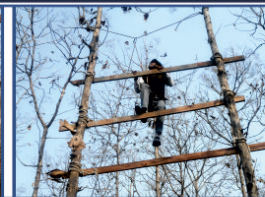

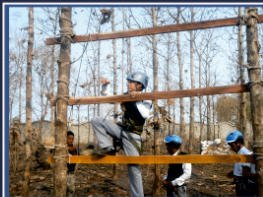

At Delhi Public School, Chhindwara we follow Continuous Comprehensive Evaluation as per the guidelines prescribed by Central Board of Secondary Education.

### Club and Societies :

Clubs and societies which help children explore and find their answers. We help them keep the spark alive and find the answers. We have Ideal Clubs and Societies where children get to find out what they want and in the process find their passion in life.

### Basic Features:

- The overall student/teacher ratio is 25: 1, and the average strength of a class is 30 students.
- Dance & Music, Art & Craft, Robotics, Math Lab, Physical Education, Language Lab.
- Spoken English are compulsory subjects and are conducted in two to three classes a week.

## Teaching Staff (Housed within the school campus)

"The mediocre teacher tells. The good teacher explains.  
The superior teacher demonstrates. The great teacher inspires." - **William Arthur Ward**

Teachers are the lifeblood of a School. The limit of any student is directly functional to the ability of a teacher. The School encompasses in its fold a spectrum of qualified, trained and experienced teachers who dedicate their valuable inputs in honing the students' skills.

We recruit staff from across India. We have identified several centers like Kerala, Visakhapatnam, Darjeeling, Guwhati, Bangalore, Ajmer, Bhubneswar and Mysore for the recruitment of staff.

## Training of Teacher

Teachers are provided with regular training at various levels to keep up with the latest updates and development in teaching methodologies. Teachers share best practices in National Workshops which are regularly organized. Tough recruitment facilities and vigorous Teacher Induction and Orientation Programs help set a benchmark in providing quality education.

## Sporting Extravaganza

Sporting facilities in form of Cricket (With Bowling Machine), Volley Ball Court, Synthetic Tennis Courts, Synthetic Basketball Courts, Playing field, Skating rink is available for students from class 1 onwards. Toy house for toddlers and indoor sporting complex add to the diversity of options available for each child. Children love splashing water, jumping, hopping and sliding over water slides. They naturally acquire this apparently difficult skill. At DPS Chhindwara, we have a well maintained swimming pool. A trained and qualified instructor facilitates training.

## Hostel
